

FAMILY CHILD CARE ASSOCIATION OF PIERCE COUNTY

Tour of Homes

May 20, 2017

Join us this year for a culturally diverse tour of Family Child care homes in the 98466 and 98409 area codes. Our line up is a mix of both new and veteran providers of multiple backgrounds, a few even teach dual language programs. Feel free to ask the hostesses questions about things like staffing, curriculum, environmental setup, meal planning, bookkeeping or anything else you might have questions about. Get some new ideas to take back to your own child care while exploring their indoor and outdoor environment.

The title of our training this year is "The Power of You – A Celebration of Our Most Critical Educators" Presented by Erin Jones
